**SOUTHERN CALIFORNIA GENERATION COALITION  
NOTICE OF INTENT TO PARTICIPATE IN ORAL ARGUMENT**

In accordance with the Administrative Judge's Ruling granting Motion for Final Oral Arguments dated August 15, 2007 in the captioned proceeding, the Southern California Generation Coalition hereby gives notice of its intent to participate in the October 2, 2007 (1:30 p.m.) oral argument in this proceeding. SCGC seeks to make both a direct presentation and a responsive presentation. SCGC requests no less than 10 minutes for its opening presentation and five minutes for its rebuttal presentation. However, if more time is allocated to any interested party for either opening or responsive presentations, SCGC requests an amount of time equivalent to whatever is allocated to such other interested party. Insofar as the applicants include both the Sempra utilities and Southern California Edison Company, and insofar as the applicants will be addressing issues raised by all interested parties, SCGC anticipates that the applicants will be allowed, in combination, somewhat more time than any of the individual interested parties for at least their opening presentation.

Respectfully submitted,
